DRIVING DIRECTIONS

Travel approximately nine miles East of Lake Wales on S.R. 60. The site entrance is on the north side of S.R. 60 just before Walk-in-Water Creek.

ATTRIBUTES

North Walk-in-Water Creek This 1113 -acre property was purchased by Polk County in four phases. The first phase was purchased in 2001. The main goal for this site is the protection of the floodplain and black water stream named Walk-in-Water.

Things to See

The site has a small borrow pond where visitors can enjoy some bank fishing. A short trail leads you into an old oak hammock. You may see turkeys and deer during your visit and possibly a scrambling Sherman's fox squirrel.

TREK TEN CACHE COORDINATES: N 27° 52.768 W 081° 24.133

FIND THE CACHE WITHOUT GPS: From the parking area follow the trail around the east side of the lake to the north side of the lake. Look for the "Trail Starts Here" sign and follow this trail. At the first trail sign stay to the right. When you get to the third trail sign, stop and turn to the east, the geocache is 60-65 feet away, located at the base of a small oak tree just in the palmettos. Continue following the trail and you will loop back to the north end of the lake. Follow the trail around the west side of the lake to the parking area.
